Dear Sir/Madam,

- (I) PROPOSED SHAREHOLDERS' MANDATE**
- (II) PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY**

---

## 1. INTRODUCTION

- 1.1 At the AGM of the Company held on 24 May 2018, the Company sought and obtained from its shareholders the general mandate for WZB Group to enter into RRPT(s) of a revenue or trading nature in the ordinary course of business based on commercial terms which are not more favourable to the Related Parties than those generally available to the public and which are necessary for WZB Group's day to day operations. The aforesaid mandate shall, in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming Sixteenth (16<sup>th</sup>) AGM of the Company unless authority for its renewal is obtained from the Shareholders.

On 11 April 2019, the Board had announced that WZB proposed to seek its shareholders' approval for the renewal of the existing shareholders' mandate for RRPT(s) pursuant to Paragraph 10.09 of the Listing Requirements.

- 1.2 At the AGM of the Company held on 24 May 2018, the Company sought and obtained the approval of its shareholder to purchase up to ten percent (10%) of the issued share capital of the Company at any point in time. The aforesaid shareholders' approval for the Company to purchase its own shares is subject to the annual renewal and will lapse at the conclusion of the forthcoming AGM unless such authority is renewed by an ordinary resolution passed at the general meeting.

On 11 April 2019, the Board had announced that WZB proposed to seek the approval of its shareholders for the renewal of the Company's authority to purchase up to 10% of the issued share capital of WZB. The Proposed Renewal of Share Buy-Back Authority is subject to compliance with Section 127 of the Act and any prevailing laws, orders, requirements, guidelines, rules and regulations issued by any relevant authorities at the time of purchase.

The purpose of this Circular is to provide you with the relevant information of the Proposals and to seek your approval on the resolutions pertaining to the Proposals to be tabled at the forthcoming AGM, which will be held at Sri Damansara Club Berhad, Lot 23304, Persiaran Perdana, Bandar Sri Damansara, 52200 Kuala Lumpur, on Thursday, 30 May 2019 at 11.00 a.m. The notice of the AGM together with the Form of Proxy is enclosed in the 2018 Annual Report of the Company for the financial year ended 31 December 2018.

**SHAREHOLDERS OF WZB ARE ADVISED TO READ AND CONSIDER THE CONTENTS OF THIS CIRCULAR CAREFULLY BEFORE VOTING ON THE RESOLUTIONS PERTAINING TO THE PROPOSALS AT THE FORTHCOMING AGM.**

## **2. DETAILS OF THE PROPOSALS**

### **2.1 Proposed Shareholders' Mandate**

#### **2.1.1 The Listing Requirements**

Pursuant to Paragraph 10.09(2) of the Listing Requirements, a listed issuer may seek a mandate from its shareholders in respect of RRPT(s) subject to the following:

- (a) the transactions are in the ordinary course of business and are on terms not more favourable to the Related Party(ies) than those generally available to the public;
- (b) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of the transactions conducted pursuant to the shareholders' mandate during the financial year where the aggregate value is equal to or more than the threshold below in relation to a listed issuer with an issued share capital of RM60.0 million and above :
  - (i) the consideration, value of the assets, capital outlay or costs of the RRPT(s) is RM1.0 million or more; or
  - (ii) the percentage ratio of such RRPT(s) is 1% or more,whichever is the higher.

- (c) the listed issuers' circular to shareholders for the shareholder mandate includes the information as may be prescribed by Bursa Securities. The draft circular must be submitted to Bursa Securities together with a checklist showing compliance with such information;
- (d) in a meeting to obtain shareholders' mandate, the interested directors, interested major shareholders or interested person connected with a director or major shareholder; and where it involves the interest of an interested person connected with a director or major shareholder, such directors or major shareholder, must not vote on the resolution to approve the RRPT(s). An interested director or interested major shareholder must ensure that persons connected with him abstain from voting on the resolution approving the RRPT(s); and
- (e) the listed issuer immediately announces to Bursa Securities when the actual value of a RRPT(s) entered into by the listed issuer, exceeds the estimated value of the RRPT(s) disclosed in the circular by 10% or more and must include the information as may be prescribed by Bursa Securities in its announcement.

Details of the RRPT(s) entered by WZB Group with the Related Parties are set out in the Section 2.1.4 below.

### 2.1.2 Principal Activities of WZB Group

The principal activity of WZB is investment holding while its subsidiary companies are involved in the manufacturing and processing of fibre-based products, which include disposable diapers, cotton products, sanitary protection, tissue products, and trading of processed papers. The details of WZB's subsidiaries as well as their principal activities as at the LPD are set out in the table below:

<b>Name of company</b>	<b>Effective equity interest (%)</b>	<b>Principal Activities</b>
Carefeel Cotton Industries (M) Sdn Bhd	100	Manufacturing and distributor of facial cotton and other cotton related products
Mey Paper Industries Sdn Bhd	100	Manufacturing of corrugated paper carton boxes and other related products
Modern Alpine Sdn Bhd	100	Trading of papers and related products
New Top Win Corporation Sdn Bhd	100	Importing, processing and trading of papers
Quality Hero Corporation Sdn Bhd	100	Manufacture and distributor of adult and baby diapers, sanitary napkins and its related products

<b>Name of company</b>	<b>Effective equity interest (%)</b>	<b>Principal Activities</b>
Wang-Zheng Corporation Sdn Bhd	100	Distributor of disposable fibre-based products

Due to the diversity of WZB Group, it is anticipated that WZB Group would, in the normal course of business, continue to enter into transactions with the Related Parties, details of which are set out in Section 2.1.4 below. It is likely that such transactions will occur with some degree of frequency and could arise at any time.

The Board proposes to seek the shareholders' approval for the Proposed Shareholders' Mandate for the WZB Group to enter into transactions in the normal course of business within the classes of Related Parties set out in Section 2.1.4 below, provided such transactions are entered into at arm's length and on normal commercial terms which are not more favourable to the Related Party than those generally available to the public and are not to the detriment of the minority shareholders. Such mandate will enable the Group to enter into the RRPT(s) without the necessity, in most instances, to make the otherwise required announcement or to convene meetings in order to procure specific prior approval of its shareholders. The RRPT(s) will also be subject to the review procedures set out in Section 2.1.5 below.

### **2.1.3 Validity Period of the Proposed Shareholders' Mandate**

The Proposed Shareholders' Mandate is subject to annual renewal. In this respect, any authority conferred by the Proposed Shareholders' Mandate, if approved by the shareholders, shall take effect from the passing of the ordinary resolution proposed at the forthcoming AGM and shall continue to be in force until:

- (a) the conclusion of the next AGM of WZB following the general meeting at which such mandate was passed, at which time it will lapse, unless by a resolution passed at the general meeting, the mandate is renewed;
- (b) the expiration of the period within which the next AGM of the Company after the date is required to be held pursuant to Section 340 (2) of the Act (but shall not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or

## **2.1.5 Review Methods or Procedures for the Recurrent Related Party Transactions**

WZB Group has established various methods and procedures to ensure the RRPT(s) are undertaken on arms' length and on normal commercial terms, which are consistent with WZB Group's usual business practices and policies, on terms which are not more favourable to the Related Parties than those extended to the public and are not detrimental to the minority shareholders.

The review and disclosure procedures are as follows:

- (i) the Related Parties, interested Directors and persons connected will be advised that they are subject to the shareholders mandate and will also be advised of the review and disclosure procedures;
- (ii) The transaction prices, terms and conditions which are market driven are to be determined at arms' length on a customer/supplier relationship basis at mutually agreed rates after due consideration of benefits to be derived from the transaction, under similar commercial terms for transactions with unrelated third parties, which depend on demand and supply, quality, level of service and other related factors;
- (iii) Some transactions may be on a cost recovery basis, being recovery of part of the costs for sharing or provision of some services or on a negotiated basis where both parties would contract on terms which are mutually acceptable and beneficial;
- (iv) The management of the WZB Group are cognisant that, as in the past, all RRPT(s) are required to be undertaken on an arm's length basis and on normal commercial terms. Where practicable and feasible, quotation and/or tenders will be obtained from at least two (2) other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the Related Parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of produces/services and/or quantities. In the event that quotation or comparative pricing from unrelated third parties cannot be obtained, the transaction price will be determined by the Group based on those offered by/to other unrelated parties for the same or substantially similar type of transaction to ensure that the RRPT(s) are not detrimental to the WZB Group;
- (v) Where RRPT(s) is one with a value equal to or in excess of RM1.0 million, it will be reviewed and approved by the Directors of the Company who has no interest in the transaction. Where the RRPT(s) is one with a value below RM1.0 million, it will be reviewed and approved by the Group Chief Executive Officer/Managing Director or Executive Director or the Board;

- (vi) Records will be maintained by the respective companies to capture all RRPT(s) which are entered pursuant to the shareholders' mandate;
- (vii) The annual internal audit plan shall incorporate a review of all RRPT(s) entered into pursuant to the shareholders' mandate to ensure that relevant approvals are obtained and the procedures in respect of such transactions are adhered to;
- (viii) The Board and Audit Committee shall review the internal audit reports to ascertain that the guidelines and procedures to monitor RRPT(s) have been complied with; and
- (ix) The Board shall have overall responsibility for the determination of the review procedures. If a member of the Board and Audit Committee has an interest in the transaction to be reviewed by the Board and Audit Committee, as the case may be, he will abstain from any decision making by the Board or Audit Committee in respect of the said transaction.

#### **2.1.6 Amount Due and Owing Under Recurrent Related Party Transactions**

As at the financial year ended 31 December 2018 there is no amount due and owing to WZB Group which has exceeded the credit term given arising from the RRPT(s) as per Section 2.1.4.

#### **2.1.7 Statement by Audit Committee**

The Audit Committee has the overall responsibility of determining whether the procedures for reviewing all RRPT(s) are appropriate. The Audit Committee will review and ascertain at least once a year whether the procedures established to monitor RRPT(s) have been complied with. If it is determined that the procedures stated in Section 2.1.5 are inadequate to ensure that (i) the RRPT(s) will be conducted at arms' length and on normal commercial terms and (ii) such transactions are not prejudicial to the interest of the shareholders, the Company will obtain a fresh shareholders' mandate based on the new procedures.

The Audit Committee will also have the discretion to request for limits to be imposed or for additional procedures to be followed if it considers such requests to be appropriate. In that event, such limits or procedures may be implemented without the approval of shareholders, provided that they are more stringent than the existing limits or procedures.

The Audit Committee of the Company has seen and reviewed the procedures set out in Section 2.1.5 above and is of the view that WZB has in place adequate procedures and processes to monitor, track and identify RRPT(s) in a timely and orderly manner and is of the opinion that review procedures are satisfactory and the RRPT(s) will be carried out at arms' length and in accordance with WZB Group's normal commercial terms, and hence, will not be prejudicial to the shareholders or disadvantageous to WZB and not more favourable to the Related Parties than those generally available to the public and not detrimental to minority shareholders of WZB. The review of these procedures and processes is carried out at least once a year or when deemed necessary by the Audit Committee.

## **2.1.8 Disclosure of Recurrent Related Party Transactions**

Disclosure will be made in the annual report of the Company in accordance with Paragraph 3.1.5 of Practice Note 12 of the Listing Requirements, which requires a breakdown of the aggregate value of the RRPT(s) entered into during the financial year based on the following information:

- (a) the type of the RRPT(s) made; and
- (b) the names of the Related Parties involved in each type of the RRPT(s) made and their relationships with WZB Group.

The above disclosure will be made in the Company's annual report for each subsequent financial year after the Proposed Shareholders' Mandate had been obtained.

## **2.2 Proposed Renewal of Share Buy-Back Authority**

### **2.2.1 Details of the Proposed Renewal of Share Buy-Back Authority**

The Board is proposing to seek the shareholders' approval for the renewal of the authority for WZB to purchase its own Shares for an aggregate amount of up to ten percent (10%) of the total issued share capital at any point in time.

For illustrative purposes, as at LPD, the issued share capital of WZB stood at 160,000,000 ordinary shares and 1,418,900 Shares are held as treasury shares. Assuming no further WZB Shares are issued, the maximum number of shares that can be purchased pursuant to the Proposed Renewal of Share Buy-Back Authority is 16,000,000 WZB Shares, which would include the 1,418,900 Shares already held as treasury shares.

The Proposed Renewal of Share Buy-Back Authority, once approved by the shareholders, shall take effect from the passing of the ordinary resolution pertaining thereto at the forthcoming AGM and shall continue to be in force until:

- (a) the conclusion of the next AGM of the Company following the general meeting at which such resolution is passed, at which time the authority will lapse unless renewed by ordinary resolution, either unconditionally or subject to conditions; or
- (b) the expiration of the period within which the next AGM of the Company is required by law to be held; or
- (c) the authority is revoked or varied by ordinary resolution passed by the shareholders of the Company in general meeting,

whichever occurs first.

The Proposed Renewal of Share Buy-Back Authority does not impose an obligation on the Company to purchase its own Shares. Rather, it will allow the Board to exercise the power of the Company to purchase its own Shares at any time within the abovementioned time period.

## 2.2.2 Maximum Amount of Funds to be Allocated and the Source of Funds

The Listing Requirements stipulate that the proposed purchase by a listed company of its own shares must be made wholly out of retained profits based on the latest annual audited financial statements and the latest management accounts (where applicable) of the listed company. Therefore, the maximum amount of funds to be allocated for the Proposed Renewal of Share Buy-Back Authority shall not exceed the amount stated in the retained profits of the Company. The details of the retained profits of WZB are as follows:

	<b>Retained Profits (RM)</b>
Audited financial statement as at 31 December 2018	6,618,015

The Proposed Renewal of Share Buy-Back Authority will be funded by internally generated funds and/or external borrowings. The amount of internally generated funds and/or external borrowings to be utilised will only be determined later depending on, amongst others, the availability of internally generated funds, actual number of WZB Shares to be purchased and other relevant factors. The actual number of WZB Shares to be purchased and/or held, and the timing of such purchases will depend on, amongst others, the market conditions and sentiments of the stock markets as well as the retained profits and financial resources available to the Company. In the event that the Proposed Renewal of Share Buy-Back Authority is to be partly financed by external borrowings, the Board will ensure that the Company has sufficient funds to repay the external borrowings and that the repayment will not have a material effect on the cash flow of the Group.

## 2.2.3 Treatment of the Purchased WZB Shares

The Purchased WZB Shares will be dealt by the Board in accordance with Section 127 of the Act, in the following manner:

- (i) cancel the WZB Shares so purchased; or
- (ii) retain the WZB Shares so purchased as treasury shares which may be distributed as share dividends to the shareholders of WZB and/or be resold on Bursa Securities in accordance with the relevant rules of Bursa Securities and/or be cancelled subsequently; or
- (iii) combination of items (i) and (ii) above.

The decision whether to retain the Purchased WZB Shares as treasury shares, or to cancel the Purchased WZB Shares or a combination of both, will be made by the Board at the appropriate time. An immediate announcement will be made to Bursa Securities on any purchase of Shares as well as any resale or cancellation of the Purchased WZB Shares.

If such Purchased WZB Shares are held as treasury shares, the rights attached to them in relation to voting, dividends and participation in rights, allotments and/or other distributions are suspended and the Purchased WZB Shares shall not be taken into account in calculating the number or percentage of shares or a class of shares in the Company for any purpose including determination of Substantial Shareholders, takeovers, notices, the requisitioning of meetings, the quorum for meetings and the result of a vote on a resolution at meetings of the shareholders.

#### **2.2.4 Purchase/Resale Price**

Pursuant to the Listing Requirements, WZB may only purchase WZB Shares at a price which is not more than fifteen percent (15%) above the weighted average share price for the five (5) Market Days immediately preceding the date of the purchase(s). WZB may only resell the Purchased WZB Shares held as treasury shares at a price which is:

- (a) not less than the weighted average share price of WZB Shares for the five (5) Market Days immediately prior to the resale; or
- (b) at a discount of not more than 5% to the weighted average share price of WZB Shares for the five (5) Market Days immediately prior to the resale provided that:
  - (i) the resale takes place no earlier than 30 days from the date of the purchase; and
  - (ii) the resale price is not less than the cost of purchase of the shares being resold.

The proposed purchase of WZB's own Shares and/or resale of the Purchased WZB Shares shall only be effected on the market of Bursa Securities via its automated trading system and shall exclude any direct business transactions as defined in accordance with the rules of Bursa Securities. WZB shall ensure that all dealing(s) in its own Shares/Purchased WZB Shares are made through stock broker(s) appointed by WZB.

#### **2.2.5 Potential Advantages and Disadvantages of the Proposed Renewal of Share Buy-Back Authority**

The potential advantages of the Proposed Renewal of Share Buy-Back Authority to the Company and its Shareholders, are as follows:

- (a) The Proposed Renewal of Share Buy-Back Authority would enable the Company to utilise its financial resources more efficiently especially where there is no immediate use and it may strengthen the consolidated EPS of the Group.
- (b) The Proposed Renewal of Share Buy-Back Authority will also provide the Company with opportunities for potential gains if the Purchased WZB Shares which are retained as treasury shares are resold at prices higher than their cost of purchase.

- (c) In any event, the Purchased WZB Shares retained as treasury shares may also be distributed as share dividends to the shareholders as a reward.
- (d) The Proposed Renewal of Share Buy-Back Authority may also stabilise the supply and demand of WZB Shares traded on Bursa Securities and reduce the volatility of the share prices. The stability of WZB Shares price is important to maintain investors' confidence and may also assist in facilitating future fund raising via the equity market.

The potential disadvantages of the Proposed Renewal of Share Buy-Back Authority to the Company and its Shareholders, are as follows:

- (a) The Proposed Renewal of Share Buy-Back Authority if implemented is expected to temporarily reduce the immediate financial resources of WZB Group.
- (b) The Proposed Renewal of Share Buy-Back Authority may also result in the Group foregoing better investment opportunities which may emerge in the future and/or any income that may be derived from other alternative uses of such funds such as deposit in interest bearing instruments.
- (c) The Proposed Renewal of Share Buy-Back Authority may also reduce the amount of resources available for distribution to the shareholders of the Company in the form of dividends as funds are utilised to purchase its own Shares.

Nevertheless, the Proposed Renewal of Share Buy-Back Authority is not expected to have any potential material disadvantages to the Company and its shareholders, as it will be implemented only after careful consideration of the financial resources of the Group and its resultant impact. The Board is mindful of the interest of the Company and the shareholders and will be prudent with respect to the above exercise.

#### **2.2.6 Public Shareholding Spread of WZB**

The Proposed Renewal of Share Buy-Back Authority is subject to the compliance with Section 127 of the Act and any prevailing laws, rules, regulations, orders, guidelines and requirements issued by the relevant authorities ("Prevailing Law") at the time of the purchase. As at 30 March 2019, the public shareholding spread of the Company was approximately 32.36% (excluding treasury shares). Assuming the Proposed Renewal of Share Buy-Back Authority is carried out in full, and the number of WZB Shares held by the substantial shareholders, Directors and persons connected to the substantial shareholders and/or Directors remain unchanged and all the WZB Shares so purchased are cancelled, the public shareholding spread of the Company would reduce to approximately 25.51%. The Board will endeavor to ensure that the Proposed Renewal of Share Buy-Back Authority will be in accordance with the Prevailing Law at the time of the purchase including compliance with the twenty-five percent (25%) public shareholding spread as required by the Listing Requirements.

### **2.2.7 Implication Relating to the Code**

Pursuant to the Code, a person and any parties acting in concert with him will be required to make a mandatory offer for the remaining WZB Shares not already owned by him/her/them if his/her/their stake in the Company is increased to beyond 33.0% or if his/her/their shareholdings is between 33.0% and 50.0% and increases by another 2.0% in any six (6) months period.

However, an exemption from mandatory offer obligation may be granted by the SC under the Code subject to the parties acting in concern complying with the conditions stipulated in the Code.

The Company intends to implement the Proposed Renewal of Share Buy-Back Authority in the manner that will not result in any of the shareholders having to undertake a mandatory offer pursuant to the Code. In this respect, the Board will be mindful of the requirements of the Code when implementing the Proposed Renewal of Share Buy-Back Authority.

### **2.2.8 Purchase, Resale and Cancellation of Shares Made in Previous Twelve (12) Months**

There were no purchase, resale and cancellation of shares made by WZB in the previous twelve (12) months preceeding the date of this Circular. As at LPD, 1,418,900 WZB Shares are held by WZB as treasury shares.

## **3. RATIONALE FOR THE PROPOSALS**

### **3.1 Proposed Shareholders' Mandate**

The Proposed Shareholders' Mandate will enable the WZB Group to carry out RRPT(s) necessary for the Group's day-to-day operations, which are time sensitive in nature, and will eliminate the need to announce and convene separate general meetings (if applicable) from time to time to seek shareholders' mandate for such transaction. This will substantially reduce the expenses, time and other resources associated with convening of general meetings on an ad hoc basis, improve administrative efficiency and allow financial and manpower resources to be channeled towards attaining other corporate objectives.

The RRPT(s) carried out within the WZB's Group creates mutual benefits for the companies in the Group, such as expediency and increased efficiency necessary for day-to-day operations.

In addition, WZB Group has a long standing business relationship with the Related Parties. The Board of WZB is of the view that the close co-operation and strong working relationship that exist between WZB Group and the Related Parties have over the years enabled WZB Group to benefit from better services and attention that would otherwise be derived from third parties. These close relationships have allowed for better control of supplies, quality and timeliness of completion of work done/services rendered.

### **3.2 Proposed Renewal of Share Buy-Back Authority**

The implementation of the Proposed Renewal of Share Buy-Back Authority is envisaged to benefit the Company and its shareholders as follows:

- (i) the Company is able to utilise its surplus financial resources more efficiently. If implemented, this may help to stabilise the supply and demand of the WZB Shares traded on Bursa Securities and thereby support its fundamental value;
- (ii) the EPS of WZB Shares and the return on equity of the Company is expected to improve as a result of a reduced share capital base;
- (iii) the Purchased WZB Shares retained as treasury shares provide the Board with an option to resell the treasury shares at a higher price and generate capital gains for the Company;
- (iv) the Purchased WZB Shares retained as treasury shares can be distributed as share dividends to the shareholders as a reward; and
- (v) the financial resources of the Company will increase if the Purchased WZB Shares held as treasury shares are resold at prices higher than the purchase price.

#### 4. EFFECTS OF THE PROPOSALS

##### 4.1 Proposed Shareholders' Mandate

The Proposed Shareholders' Mandate will not have any material effect on the share capital of the Company as well as the consolidated NA, gearing, EPS and the shareholdings of the substantial shareholders of WZB.

##### 4.2 Proposed Renewal of Share Buy-Back Authority

The effects of the Proposed Renewal of Share Buy-Back Authority on share capital, NA, working capital, earnings and shareholdings of Directors and Substantial Shareholders of the Company are set out below:

###### 4.2.1 Share Capital

The effect of the Proposed Renewal of Share Buy-Back Authority on the issued share capital of the Company will depend on whether the Purchased WZB Shares are cancelled or retained as treasury shares. The Proposed Renewal of Share Buy-Back Authority will result in a reduction of the issued share capital of the Company if the Purchased WZB Shares are cancelled.

Based on the Company's issued share capital as at LPD, the effect of the Proposed Renewal of Share Buy-Back Authority, assuming that the Purchased WZB Shares will be cancelled, are as follows:

	<b>No. of Shares</b>
Number of WZB shares as at LPD	160,000,000*
Less :	
Maximum number of ordinary shares which may be purchased and cancelled pursuant to the Proposed Renewal of Share Buy-Back Authority (assuming all Purchased WZB Shares are fully cancelled)	16,000,000*
<b>Resultant number of WZB shares</b>	<b>144,000,000</b>

\* Including a total of 1,418,900 WZB shares bought back by WZB and retained as treasury shares

However, the Proposed Renewal of Share Buy-Back Authority will have no effect on the issued share capital of the Company if all the Purchased WZB Shares are to be retained as treasury shares, resold or distributed to the shareholders.

#### **4.2.2 NA**

When the Company purchases its own shares, regardless of whether they are retained as treasury shares or subsequently cancelled, the NA per Share of WZB Group will decrease if the cost per Share purchased exceeds the NA per Share of WZB Group at the relevant point in time. However, if the cost per Share purchased is below the NA per Share of WZB Group at the relevant point in time, the NA per Share of WZB Group will increase.

In the case where the Purchased WZB Shares are treated as treasury shares and subsequently resold on Bursa Securities, the NA per Share of WZB Group upon the resale will increase if the Company realises a gain from the resale and vice-versa. If the treasury shares are distributed as share dividends, the NA of WZB Group will decrease by the cost of the treasury shares at the point of purchase.

#### **4.2.3 Working Capital**

The Proposed Renewal of Share Buy-Back Authority, as and when implemented, will reduce the working capital and cash flow of WZB Group, the quantum of which depends on, amongst others, the number of WZB Shares purchased and the purchase price(s) of the WZB Shares.

For WZB Shares so purchased which are kept as treasury shares, upon their resale, the working capital and the cash flow of the Group will increase upon the receipt of the proceeds of the resale. The quantum of the increase in the working capital and cash flow will depend on the actual selling price(s) of the treasury shares and the number of treasury shares resold.

#### **4.2.4 Earnings and EPS**

The effects of the Proposed Renewal of Share Buy-Back Authority on the earnings of WZB Group are dependent on the number WZB Shares purchased, the effective funding cost to finance such purchases and/or loss in interest income to WZB Group if internally generated funds are utilised. Further, the purchase of the WZB Shares will result in a lower number of shares being taken into account for purposes of EPS computation.

#### **4.2.5 Dividends**

Assuming the Proposed Renewal of Share Buy-Back Authority is implemented in full and the dividend quantum is maintained at historical levels, the Proposed Renewal of Share Buy-Back Authority will have an effect of increasing the dividend rate per ordinary share of the Company as a result of the reduction in the issued share capital of the Company.

#### 4.2.6 Directors' and Substantial Shareholders' Shareholdings

The effect of the Proposed Renewal of Share Buy-Back Authority on the shareholdings of the Directors and the substantial shareholders of WZB based on the Register of Directors' Shareholdings and the Register of Substantial Shareholders as at the LPD assuming the Proposed Renewal of Share Buy-Back Authority is undertaken in full by WZB, are as follows:
